

Featured Speakers and a NEW Ignite Session!

This year's conference is offering focused sessions for elementary as well as secondary/post-secondary audiences.

Featured Speakers:

Dr. Rachael Brown, Associate Professor of Mathematics Education at Penn State Abington

Mr. Daniel Kaufmann, Secondary Math Teacher, Wyomissing Area School District

Ignite Session:

This session will feature a series of short, engaging presentations with ready-to-implement ideas from practicing K-16 instructors!

Penn State encourages qualified persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Ms. Jodie Styers at 814-898-6349 in advance of your participation or visit. This publication is available in alternative media on request. Penn State is an equal opportunity, affirmative action employer, and is committed to providing employment opportunities to all qualified applicants without regard to race, color, religion, age, sex, sexual orientation, gender identity, national origin, disability or protected veteran status.
