Name: ___________________________ Major(s): _______________________

BS/BA Math Majors: Please list your special interest area.

Other college-level math courses taken and grade you earned (include W’s).

Give a brief self-assessment of your computational vs. abstract math abilities. (I.e., procedures vs. concepts)

Are you working during the semester? If so, how many hours per week?

Are you commuting to campus from outside Slippery Rock? If so, from where?

Are there any considerations that could affect your attendance/performance in this course? (I.e., extracurricular activities, child care, military, work, health, etc.)
